BENALMÁDENA

Dear Friend,

Welcome to BLUE HEAVEN Benalmádena, on Spain's beautiful Costa del Sol.

Here at GRUPO LIBRA, we're very proud to be able to offer 192 unique and customisable apartments in a high-quality residential complex with excellent facilities and breathtaking sea views.

GRUPO LIBRA has more than 20 years' experience in the property sector, and has sold more than 4,000 properties to date. We currently have 1,400 apartments in the pipeline and look forward to handing 470 over to their new owners this year.

Our mission statement has always been "the luxury of space at the best price", and BLUE HEAVEN is no exception, offering vast spaces, unbeatable orientation, and the best views of Benalmádena and the Mediterranean – all at unbeatable prices.

At BLUE HEAVEN you'll find a choice of 1, 2, 3 and 4 bedroom properties, any of which can be customised, making them unique in this sector. Quality is guaranteed thanks to our exclusive agreement with the project's partner, international ceramics giant PORCELANOSA, whose products will ensure every apartment is fitted out in the greatest luxury and most elegant style.

The GRUPO LIBRA team and our chain of marketing partners will be at your disposal, to ensure living in your BLUE HEAVEN property is a unique experience.

Kind regards,

Miguel Palmero Martín
